

Welcome to
the Practice.

Welcome to the Family.

When you visit our office, you're more than
a patient — **you're family.**

From the warm, welcoming staff to the
personalized care you receive each time you
walk through the doors, we treat all of our
patients as we would our own family.

We've even been rated by patients, insurance
providers and state health agencies as a 5-star
facility, a rare honor in our industry. As a result,
we hold ourselves to the highest standards of
medical care and ensure that your every visit is
quick, comfortable and completely effective.

We're happy to have you! Please feel free to
browse this brochure for some information on
our practice we think will be helpful.

Your Doctors,
Samuel R. Williams, M.D.
Lisa Williams Petit, M.D.

Meet the Doctors.

Dr. Samuel Williams graduated from Johns Hopkins University and the University of Maryland School of Medicine. Dr. Lisa W. Petit graduated from the Honors program at University of Maryland College Park and the Howard University School of Medicine. The doctors take pride in listening to the parents and patients in order to provide the best medical care for the patient.

Emergency calls.

Call 911 for true medical emergencies. To reach us, call the office. Choose option #1, leave your name, telephone number, and message. You will be prompted to identify the message as urgent or not urgent. If you choose urgent, your message will be forwarded to us immediately.

Appointments.

Appointments may be made for any of the following:

- Well visits
- Sick visits
- Ob-Gyn exams
- Consultations
- Depression
- Anxiety
- ADHD
- Weight issues
- Bedwetting and more!

Office visits are **by appointment only**. Most sick children are seen either on the same day or the next day. In the case of an additional child who also needs to be seen, please inform us when scheduling your appointment. We reserve the right to reschedule for late arrivals.

We will remind you of your appointment. Please cancel appointments at least 24 hours in advance. We reserve the right to bill for a missed appointment.

Telephone calls.

We encourage telephone calls. Please call our office during regular hours for prescription refills, appointments, referrals, billing questions and lab results.

Age Policy.

Because many of our patients wish to remain with us into adulthood, we accept all patients, from **newborns to young adults aged 26–27**. Many health care plans now allow children to remain on their parents' plans until age 26 regardless of student status.

Immunization Policy.

While our immunization schedule is very similar to the recommendations outlined by the American Academy of Pediatrics, **we are flexible** and willing to work with parents who prefer a modified schedule.

Hospital Affiliations.

We can visit and care for your newborn at any of these 3 hospitals:

- St. Agnes
- Sinai
- Howard County General

In-Office Lab.

With our in-house laboratory, we can save you time and money by conducting simple screenings right here, including:

- Urinalysis
- Pregnancy testing
- Rapid strep testing
- PAP smears
- STDs
- Herpes cultures
- Yeast infections and more!

Referrals.

If your child requires a referral from our office before visiting a specialist, please obtain it before your scheduled appointment. **We will need at least 3 days notice** to issue a referral. Last minute requests for referrals may result in a small fee.

Financial Policy.

All fees and co-pays are due at the time of the visit.

- We accept cash, checks, debit, Visa, Mastercard, AmEx and Discover
- We accept most major medical plans and file your claim on your behalf

Free Expectant Parents' Interview.

The doctors are happy to meet with expectant parents for a free interview. Important aspects of newborn care are discussed.

Free Parents' Interview.

Parents are welcome to make an appointment for a free interview.
